EBJIS 2022

40th Annual Meeting of the European
Bone and Joint Infection Society

8 – 10 September 2022 · Graz · Austria

Welcome

Dear colleagues,

It is a great honour to host and organise the **40th Annual Meeting of the European Bone and Joint Infection Society**, which will take place in Graz, Austria on 8-10 September 2022. The conference will be held at the Congress Gartz, conveniently located in the heart of the city.

Graz is known as Austria's culinary and cultural capital. In the historic old town with its roads, streets, squares, and courtyards there's lots to explore and even more to be enjoyed. Discovering the city is a stroll through centuries right into the future. With its historic buildings and the futuristic Kunsthaus and the Mur Island it is for a good reason a UNESCO world heritage site and a UNESCO city of design at the same time. The conference will bring together experts, practitioners and companies involved in the treatment of bone and joint infections. Professionals attending the conference will benefit from high-level scientific presentations, knowledge sharing and networking opportunities. The scientific programme will be provided with keynote lectures, free paper sessions, industry symposia and posters.

The main conference theme is:

"Walking along the razor's edge... Challenges and limits in treatment of bone and joint infection"

The topics for EBJIS 2022 are:

- Definition and diagnostic criteria for PJI
- Treatment strategies for hip PJI
- Polymicrobial BJI
- Native Osteomyelitis
- Optimising post-operative antibiotic therapy
- Bacteriophage therapy
- Fracture-related infection: management strategies
- Spinal implanted related infections
- Periprosthetic joint infection of the upper extremity

We look forward to welcoming you to Graz.

On behalf of the local organising committee and the EBJIS Executive committee,

Alejandro Soriano,
President of EBJIS

Mathias Glehr,
Local conference chair

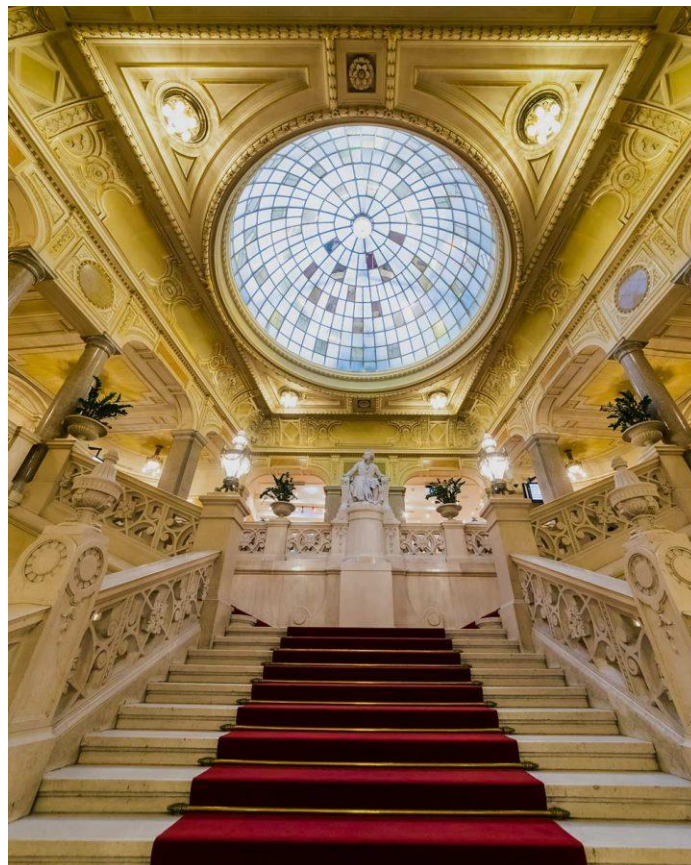

Organisation

The local organising committee

- Mathias Glehr, Graz (Conference Chair)

Tailored packages can be arranged to suit your objectives. Please feel free to contact the conference organiser to discuss your ideas or wishes.

Other partnership opportunity

FOCUS GROUP MEETING € 10,000

Focus groups give companies a chance to ask experts and key opinion leaders their opinion in a closed forum and are interesting for companies, who:

- ` Are about to launch a new product
- ` Are new to the European market and need feedback on their existing products
- ` Would like to establish contact to key opinion leaders
- ` Are interested in feedback on products or clinical studies

A focus group at EBJIS2022 has the advantage that you do not need to fly in and accommodate a group of 8-10 persons, as all key opinion leaders are present at the conference in advance. This makes the focus group a cost-effective tool to get feedback and promote your product towards key opinion leaders. The focus group meeting will last up to 1,5 hour and will be arranged in co-operation with the conference organiser.

Additional sponsoring items	Price
